Dear Children, Parents and Carers,

You have made it to the Easter break! A big thank you for your understanding and support over the last few weeks.

Currently, there is still no further advice relating to when we might open our school again and we shall keep you updated regularly with this information as any arrangements change. For now, you have made it to the end of the term and an opportunity to be a bit more relaxed than you may have felt in the last couple of weeks.

We encourage you to have some time to enjoy what should be a free and relaxing time with your children. Attached are some ideas for holiday activities should you wish to still keep busy – we would love to see photos if you do (pop on our Facebook page or email to me). I have also advised staff to take some time for themselves too, so weekly phone calls or emails will not occur during this time. The office will also be closed but if you need any support please email me at [head@alfredstreet.northants-ecl.gov.uk](mailto:head@alfredstreet.northants-ecl.gov.uk) and I will try to check my emails regularly and get back to you.

I know that a lot of you will have really specific questions relating to your children's year groups and activities that they should be partaking in across the rest of the school year. Currently, we are working with companies that school trips have been booked with, in order to provide you with accurate information with regards to any trips that may not go ahead. We will continue to monitor these each week and action any changes in line with the government's advice.

I would like to take this opportunity to thank those of you that are key workers and continuing to provide the services needed to support the safety and health of those around us. Finally, I would like to thank you all for contributing to keeping everyone safe by staying at home.

The staff at Alfred Street hope to see you all very soon, and look forward to hearing what you have been enjoying over the Easter break.

Keep Safe!

Mrs K O'Connor
